

Usage of... Washers & Dryers

LAUNDRY DETERGENT GUIDELINES

1. For the best cleaning performance, **1/4 cup** of cold water liquid detergent is all you need.

Note:  is recommended for best cleaning performance.

2. If you must use **powdered detergent or PODS**, please place directly into washer before clothing.

Note: Do not place in the liquid detergent dispenser.

WASHER/DRYER MACHINE GUIDELINES

3. Only fill the drum **2/3** of the way.

4. Clean dryer lint filter after every use.

5. Do not dry comforters.

Note: Failure to follow these instructions will result in low efficiency drying and overloaded dryers can be a fire hazard.
